

STEVEN VU

WWW.STEVENVU.COM // 626 537 8757 // STEVEVU79@GMAIL.COM

I am a self-taught designer who dabbles with front-end development. I focus on problem solving user issues and creating immersive designs for mobile apps and web. I am seeking a position that will expand my knowledge in design thinking and help improve the product experience for everyone!

EXPERIENCE

ONESTOP.COM

Art Director // Jun 2016 - Present

Web Designer // Dec 2015 - June 2016

Work closely with engineers and project managers to direct beautiful and usable responsive ecommerce web interfaces that align with internal platform and clients vision. Handling site UX audits, wireframes, designs, prototyping, and front-end development. Reporting directly to VP of Creative to achieve client satisfaction.

FABFITFUN.COM

Sr. Web Designer // Jul 2015 - Dec 2015

Led the user experience and redesign of product pages for subscribed members and front-end development of site using bootstrap.

ONESTOP.COM

Web Designer // Dec 2010 - Jul 2015

Responsible for designing user-friendly eCommerce websites with focus on aesthetics and conversions. Semantically hand coding landing pages and newsletters using HTML and CSS.

4WHEELPARTS.COM

Designer | Front-End Dev // May 2009 - Dec 2010

Responsible for designs and front-end development for landing pages, weekly email newsletters, marketing PPC banners, and event flyers that gear towards off-road enthusiasts.
